Bro. J. O. Talley has had a full line of fine stationery put up with the above engraving on it. It is at once beautiful and suggestive. There is perhaps no better way for our young people to advertise their organization than by using this stationery. By purchasing this stationery in wholesale [illegible] is able to have the [illegible] on all of it and still as cheap as the same quality can be purchased at the book stores.

The Illiokota conference endorsed the plan unanimously and recommends all to use this stationery, as whatever profits may accrue, go to the general treasury of the King's Children. The writing paper is all nicely bound with blotter cover, 100 sheets to the tab and sent post paid at the following rates:

Commercial Note.....20c
Packet.....25c
Letter.....35c

Envelopes per hundred from 15c up, according to size and quality.

King's Children visiting cards per hundred 25c.

For the above send all orders to this office.

THE GOSPEL HAMMER

HIGHWAY GRADER.

By S. H. BASHOR.

IN CLOTH, postpaid, 20c.

The author says in his preface: "So many books have been written about Christ, telling people to come to Christ, yet failing to give a tangible idea of *how* Christ is to be found. We thought of letting this work fill that place: Tell people *of* Christ, when to *seek* for salvation and *how* to obtain it."

We think the little work meets the want very well.

BOOKS FOR SALE AT THIS OFFICE.

No home is complete without Books, Tracts and Papers; but much—the greater part of what is published—is either worthless or positively harmful. We cannot rely upon advertisements, as a man, without a conscience can write as good words for what is either valueless or nefarious as for that which is worthy and elevating. In this department it is our aim to offer only such books, tracts and papers, as the editor can personally recommend. We expect to add to the list from time to time as we find books of special merit. We shall also esteem it a favor of our book lovers if they will report to us the title, author and publisher of books they think are entitled to a place in this column.
